Dear Mr. Martin:

Thank you so much for your cooperation during the recent sale at the Colomade subdivision in Rex, Georgia.

Your professionalism, knowledge and integrity made the process a pleasurable experience for myself and my client.

I appreciate your attention to details not only in your craftsmanship but in following through in a timely manner with the finishing touches. The courtesy and respect that you demonstrated to my client helped ease the stresses that so often come with purchasing a home.

I will not hesitate to bring more clients to your subdivisions when looking for a new home!

Thanks again !
